

MOOREA FUND GLOBAL TRENDS

Monthly Factsheet

INVESTMENT OBJECTIVE

The Sub-Fund aims to provide long-term growth by investing in equities that benefit from global thematic trends (e.g.: social and demographic changes, technology disruption, climate change and energy transition). The Sub-Fund is actively managed with reference to the following benchmark: MSCI ACWI. The benchmark is used for performance comparison. The benchmark is not intended to be consistent with the sustainable investment objective of the Sub-Fund, which the Investment Manager aims to achieve by applying the sustainable investment process described above

Actual weighting and investment allocations are subject to change on an ongoing basis and may not be exactly as shown. Investors should understand the different asset classes which make up the strategy as they have different risk characteristics. Investments may be subject to market fluctuations and the price and value of investments and the income derived from them can go down as well as up. Your capital may be at risk and you may not get back the amount you invest. The tax benefits and liabilities will depend on individual circumstances and may change in the future.
