MOOREA FUND - REAL ASSETS FUND

A sub-fund of Moorea Fund

Class Retail USD - LU2485978873

Moorea Fund is authorised in Luxembourg and is submitted to the supervision of the Luxembourg financial authority, Commission de Surveillance du Secteur Financier (CSSF).

Management company: Société Générale Private Wealth Management S.A.

Objectives and Investment Policy

Objectives

The investment objective of the Sub-Fund is to generate modest medium to long-term total return with lower volatility than global equity markets.

Investment policy

The Sub-Fund seeks to achieve its investment objective by investing in at least 70% of its assets in collective investment funds. The Sub-fund may also invest in equity, fixed income, floating rate and money market securities, and in other alternative asset classes or strategies that are eligible investments in line with the investment policy of the Sub-Fund.

The Sub-Fund intends to invest in securities in the following Real Asset sectors, but not exclusively:

- Infrastructure (Renewable infrastructure, Energy storage and efficiency, Smart grids, Biomass and waste to energy, Water & waste management, Air treatment and pollution, Warehouse management, E-commerce/ Logistics, Digital infrastructure);
- Property (Social housing, Affordable housing, Care homes, Life Sciences / Biotech, Warehouse management).

The Sub-Fund will invest without geographical restrictions; mainly in developed markets and in some emerging markets included within the MSCI Emerging Markets index.

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The investment process begins with the defining of a risk budget, in terms of volatility in order to remain compliant with the risk profile of the Sub-Fund.

Why is this share class in this category?

The Sub-Fund is at present situated at the level 5 of the synthetic indicator of risk, because this strategy has shown medium fluctuations historically and this category is consistent with the risk limit of the Sub-Fund.

Historical data, such as are used in calculating the synthetic indicator, may not be reliable indication of the future risk profile of the Sub-Fund.

The risk and reward category shown is not guaranteed to remain unchanged and that the categorisation of the Sub-Fund may shift over time. The lowest category does not mean a risk-free investment.

Investments may be subject to market fluctuations and the price and value of investments and the income derived from them can go down as well as up. Your capital may be at risk and you may not get back the amount you invest.

The Sub-Fund can be also exposed to the following risks which are not adequately taken into account by the indicators of risk above:

Counterparty Risk

Refers to the likelihood that an opposite party in a transaction will not fulfill their contractual obligations, such as the payment of principal or the other side of a trade.

Sustainable investment policy

Due to the fact that the Sub-Fund does not invest in securities integrating Environmental, Social and Governance (ESG) criteria, the Investment Manager does not therefore apply the sustainable investment policy of Société Générale Private Wealth Management S.A., available on the following website: www.sgpwm.societegenerale.com.

Benchmark

The Sub-Fund is actively managed, with reference to the following benchmark: GBP Overnight SONIA + 3%. For the avoidance of doubt, the benchmark is used for performance comparison only.

Sub-Fund Currency

The Class RUHG-D is a distribution unit in USD.

Recommendation

The recommended investment period in this Sub-Fund is 5-7 years.

Net asset value calculation frequency

Liquidity Risk

The markets in which the Fund invests might become less liquid meaning that the Fund is unable to deal at the most beneficial time and price.

Credit Risk

The issuer of a security in which the Fund has invested is unable to meet payments of principal or interest resulting in a loss for the Fund.

Operational Risk

Refers to a failure or delay in the system, processes and controls of the fund or its service providers which could lead to losses for the fund.

Market Risk

Refers to the possibility for an investor to experience losses due to the overall performance of the financial markets.

Concentration Risk

Refers to the risk of significant losses if the fund holds a large position in a particular investment that declines in value or is otherwise adversely affected, including default of an issuer.

Emerging Markets Risk

Emerging markets may be subject to increased political, regulatory and economic instability, less developed custody and settlement practices, poor transparency and greater volatility.

Exchange Risk

Refers to the risk of movements in currency exchange rates that can adversely affect the return of an investment.

- the expenses of intermediation, except the entry/exit charges paid by the UCITS when it buys or sells shares of another UCITS.

For each exercise, the annual report of the UCITS will give the exact amount of the incurred expenses and the present document will be updated.

You can obtain further information about these charges, in the “fees and expenses” section of the prospectus which is available at the registered office of Moorea Fund, 11, avenue Emile Reuter L-2420 Luxembourg.

Historical data, such as is used in calculating the performances, may not be reliable indication of the future performance of the Sub-Fund. The performances have been calculated fees included.

Moorea Fund - Real Assets Fund RUHG-D has been created in 2022.

The performance of the Sub-fund has been calculated in USD.

Switching between Sub-Fund

A Shareholder may be entitled, under certain conditions, to switch, free of charge, from one Sub-Fund to another or from one Class to another within the same Sub-Fund on any Valuation Day, by conversion of Shares of one Sub-Fund into the corresponding Shares of any Class of the other Sub-Fund. The conversion of Classes into other Classes is subject to certain restrictions, due to the specific features of the relevant Classes. For more details about how to switch Sub-Funds, please refer to the Prospectus.

Tax legislation

The Sub-Fund is subject to the tax laws and regulations of Luxembourg. Depending on your own country of residence, this might have an impact on your investment. For further details you should consult a tax adviser.
