MOOREA FUND - SHORT TERM BONDS

A sub-fund of Moorea Fund

Class Institutional EUR (IE) - LU1115981935

Moorea Fund is authorised in Luxembourg and is submitted to the supervision of the Luxembourg financial authority, Commission de Surveillance du Secteur Financier (CSSF).

Management company: Société Générale Private Wealth Management S.A.

Objectives and Investment Policy

Objectives

The objective of the Sub-Fund is to deliver income and capital appreciation by investing in a diversified portfolio of debt securities denominated in Euro. The Sub-Fund aims at meeting the long-term challenges of sustainable development while delivering financial performance by the combination of financial and extra-financial criteria, integrating environmental, social and governance criteria (ESG).

Investment policy

To achieve its objective, the Sub-Fund will invest in debt instruments among which fixed income bonds, floating rate debt instruments, commercial paper, certificates of deposit, UCITS, UCIs and UCITS ETFs. At least 90% of these debt instruments will be issued by corporate, governments, or public institutions denominated in Euro and rated Investment Grade. The debt instruments will be made up of the following securities:

- debt instruments issued by corporate, governments, or public institutions principally rated Investment Grade (rating BBB- or higher delivered by Standard and Poor's ("S&P") or equivalent to BBB- or higher in the opinion of the Investment Manager). If the rating of a security held by the Sub-Fund declines, or if the security goes into default, the Sub-Fund will dispose of the security.
- non rated debt instruments, but considered to be equivalent in risk to at least a BBB- rated company by Standard & Poor's in the opinion of the Investment Manager at the time of investment.
- UCITS, UCIs and UCITS ETFs (up to 10% of the assets)

The Sub-Fund will maintain a weighted average effective maturity below 3 years and average modified duration below 2. The Sub-Fund will not invest in Contingent convertible capital instruments (CoCos), Distressed or Default Securities. Currency risk resulting from investments in non-EUR denominated debt securities might be hedged against the EUR.

Sustainable investment policy

The Sub-fund promotes environmental and/or social characteristics within the meaning of article 8 of the Regulation (EU) 2019/2088 of 27 November 2019 on sustainability-related disclosures in the financial sector, by taking into account "Environmental, Social and Governance (ESG) criteria in its investment process. It applies the Sustainable investment policy of Société Générale Private Wealth Management S.A., available on the following website:

www.sgpwm.societegenerale.com.

The Investment Manager addresses ESG factors throughout the investment process by incorporating i) an exclusion policy completed by ii) an ESG Integration policy.

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The investment process begins with the defining of a risk budget, in terms of volatility in order to remain compliant with the risk profile of the Sub-Fund.

Why is this share class in this category?

The Sub-Fund is at present situated at the level 3 of the synthetic indicator of risk. The objective of the Sub-Fund is to keep an identically risk level in investing only on "Investment Grade" bonds. In case of downgrade of an issuer rating, the risk profile of the Sub-Fund could increase temporarily.

Historical data, such as are used in calculating the synthetic indicator, may not be reliable indication of the future risk profile of the Sub-Fund.

The risk and reward category shown is not guaranteed to remain unchanged and that the categorisation of the Sub-Fund may shift over time. The lowest category does not mean a risk-free investment.

The value of your investment may fall as well as rise and you may get back less than you originally invested.

The Sub-Fund can be also exposed to the following risks which are not adequately taken into account by the indicators of risk above:

In accordance with the Management Company's investment policy, the Sub-Fund excludes of the investment universe companies that have significantly and repeatedly transgressed one of the 10 United Nations Global Compact principles, or having controversial activities such as thermal coal, chemical weapons etc., or being involved in one or more recent very severe controversies under the MSCI nomenclature (red flag).

With regards to the portfolio construction, the portfolio management team employs norms and value-based exclusions as well. Examples of the exclusions (but not limited to them) are controversial weapons, gambling, adult entertainment, tobacco and thermal coal which is driven by revenue thresholds.

ii) ESG Integration policy

The Sub-Fund adopts a rating upgrade approach. To carry out this analysis, the Investment Manager uses data provided by external ESG providers, including MSCI, as well as proprietary ESG models. The Sub-Fund follows a Best-in-Class approach by investing in issuers whose ESG rating is greater than or equal to BB (leading and average rating) on a scale of AAA to CCC (CCC being the worst) according to the MSCI ESG rating system. For issuers not covered by MSCI, the Sub-Fund employs an in-house ESG process, based on negative/exclusion, ESG criteria screening/ranking and norm-based screening.

Benchmark

The Sub-Fund is actively managed without reference to a benchmark. For the purpose of performance comparison only, the return of the Sub-Fund will be compared to the following composite benchmark: 80% ICE BofA-AML Euro Corpo 1-3 ans (ER01 Index) and 20% ESTR Compounded Index (ESTCINDEX).
